

# DOMINION

**Wants you to pay for their \$9 Billion  
nuclear scrapyard over the next 20 years!**

## **Don't fall for their BAIT & SWITCH**

Dominion Energy  
& SCANA claim the  
**BASE LOAD REVIEW ACT**  
lets them bilk ratepayers  
for the abandoned  
VC Summer Nuclear Plant

*Dominion is baiting you with a \$1000 check but you'll  
pay \$4500 over 20 years for the scrapped nuclear plant  
while stockholders will make full profits!*

**Dominion and SCE&G want to force ratepayers like  
you to bail them out but let's hold them accountable  
and demand our money back!**

**Sign the petition to repeal the BLRA!**
