

In this kit you'll find everything you need for your child to participate in Art for the Earth.

The following pages include different drawing forms intended for a variety of ages – coloring pages for younger children and free-drawing pages for older kids.

Please have your child write his or her name and age on the form. And remember that the more drawings submitted, the more entries your child will have in the raffle drawing.

All submissions must include a completed copy of this form:

Parent's Name: _____

**Mail all completed art to:

3. All art must be drawn by children aged 15 or under.
4. When sending in art, be sure to include this completed entry form or we will not be able to include your child in the raffle drawing or send the stickers.
4. Prize winners will be decided in Dec, 2013 and all art must be received by Nov 30, 2013 to qualify. Only one winner per household.
5. Original art cannot be returned and will be sent to Friends of the Earth members as gratitude for their support.
