Apologies, Ed. Last week was crazy and this week, also. I'm free from 11-1 and after 4 pm EST tomorrow. Let me know if that works. If not, please feel free to suggest some times that work with you. I'm working on all time zones this week.

Best,

Erin

Do you have some time for a short catch up? Please let me know. I am still in USA.

Regards,
EJMcll
