

OUR SCHOOL IS PROUD TO SERVE **ORGANIC CELERY!**

We are proud to partner with
[NAME OF FARM] in [TOWN] to
serve organic celery in our
school's lunches.

A green-tinted photograph showing farmworkers harvesting celery in a field. The workers are bent over, picking up bunches of celery and placing them into crates. The field is filled with rows of celery plants.

GOOD FOR
STUDENTS,
FARMWORKERS,
BEES, AND OUR
PLANET!
