when they see it.**

75% of lowans oppose*

MidAmerican Energy's plan to
raise electricity rates to pay for

risky new nuclear reactors –

reactors that won't provide power
for years, if they are even built.

lowa senators:

You can protect the public from MidAmerican's unfair
and dangerous nuclear swindle.

Listen to your constituents, not MidAmerican's lobbyists.

Vote "NO" on the nuclear rate hike.
