

*SURE THEY'RE SAFE SWEETIE...  
UNLESS SOMEONE DOES  
SOMETHING REALLY SILLY.*

**This country's existing 103 nuclear power plants are extremely vulnerable to terrorist attack. Why then do our politicians propose to build 50 additional nuclear power plants, many of them in highly populated areas? The fact is, a simple shift to safe, clean energy would dramatically enhance national security at the same time as protecting our planet. So what are we waiting for?**
